

TIE CORPS

We are the Emperor's Hammer: TIE CORPS; a Remnant organization with over 6000 Imperials loyal to the New Order. We devote our time and energy to the continuous development of innovative projects—primarily centered on the Star Wars space simulation series from Lucasarts.

Although we are constantly engaged in epic confrontation with the New Republic, either through TCP/IP competition or official TIE CORPS custom battles, our pilots also compete for fame and recognition through hundreds of monthly inner-fleet competitions and overall flight hours (fulfilled within Locasarts/Freeworlds simulations).

The rewards are numerous: medals, citations, rank/position promotions...becoming the envy of your fellow squad-members. But the most valuable commodity that we provide is the satisfaction of participating in an enormous online military dictatorship worthy of the title STAR WARS...
