

GRUDGE MATCH #11 - 10/16/04

MAJ Airyu's Lobster  
VS  
MAJ Airyu's Penguins

Serovich: Shh... don't wake up the penguins. We've got a tricky mission this week.

Needa: Yes, I think carrying this lobster is tricky.

Serovich: Just be careful with the claws.

Lobster: \*snip snip\* \*jumps out of Needa's hands\*

Needa: Scheisse!!!

Serovich: Ssshhh!!

Penguins: Waaaaaark!!

Serovich: Craaaap! \*runs\*

A swarm of penguins floods around the corner of the hallway, confronting the lobster with a rather unusual sight

Penguin: Wark?

Lobster: \*snip snip\*

Penguin: Waaa-aark! \*tilts head\*

Lobster: \*runs away\*

Penugins: Wark?

Airyu: Serovich, what's this I hear about a lobster being loose on the ship?

Serovich: No clue...

Needa: \*coughs\*

The door flies open

Justin: AIRYU!!!

Airyu: Sir?

Justin: \*holds up a lobster\* Why was *this* in my shower?!?!

Drefan: Nice towel, sir!

Craven: Ooh, dinner!

Justin: Hellooo?? Daisuke?

Airyu: I haven't touched one of those since Sero and I used one in an *ooooold* Grudge Match.

Serovich: \*sweats nervously\*

Justin: If one more thing like this happens-

Penguin: Waark? \*notices the lobster\* WAAAARK!!! \*tackles Justin\*

Airyu and Serovich: Craaaap! \*dive on the penguin, as all the various other penguins join in the fray\*

This goes on for some time. Finally, a crunching noise is heard, and the various officers and penguins collect themselves from the floor.

Airyu: Riiight, I think- wha?

Serovich: Daisuke, why do you have a WC star on?

Airyu: Forget that, why do you have my CMDR star?

Justin: Um... guys? What I'd like to know is... how the hell did I end up with this Commodore star???

Airyu: Whaa??

All pilots: \*stand and salute\* Admiral on the deck, sir!

Justin: Um..... what?

Airyu: Shouldn't Khadgar have decided this?

Serovich: It seems our lobster friend did the job for him. \*looks at the crunched shell on the ground\* I guess he *is* dinner, after all...

Craven: Woohoo! \*jumps up and runs towards the lobster\*

Penguin: \*positions himself in between Craven and the lobster\* Waaaaaark.

Craven: Maybe not. \*backs away\*

Justin: Okay. Does anybody have a problem with this?

Airyu: Not really.

Serovich: Nope, I'm fine.

Justin: Okay. Now let us never speak of this again.

MORAL: Justin: Didn't I say never to speak of this again?!?!?!?
